

حمله آمریکا به افغانستان علیه تروریسم نبود

A photograph showing a group of men. In the center, a man with a beard and mustache, wearing a dark suit and a striped tie, is waving his right hand. To his right, a man in a light blue button-down shirt is looking towards the camera. In the background, several other men are visible, some looking towards the camera and others looking away. The setting appears to be outdoors, possibly near a building entrance.
